Spigen Tough Armor Mag Magsafe case for iPhone 15 Pro 6,1" black

BRA013424 8809896750646

The Spigen Tough Armor MagSafe case is an enhanced version of its predecessor, offering even better protection and user convenience. Equip, with a magnetic ring, it ensures full compatibility with the Apple MagSafe system, allowing for quick and easy wireless charging. Thanks to its two-piece construction made of abrasion-resistant thermoplastic material and a reinforcing polycarbonate frame, the case effectively protects the device from drops and impacts. Inside, there is an additional layer of technology foam that increases the level of cushioning. Raised edges around the camera and screen protect them from scratches, while precisely crafted button covers and cutouts for ports ensure a comfortable user experience. The Tough Armor has undergone rigorous durability testing, earning military certification MIL-STD 810G-516.6Product features: - Original Spigen product - Minimalist and ergonomic design - Magnetic ring compatible with MagSafe - Two-piece construction with an additional layer of protective foam - Matte finish - Military-grade drop resistance (MIL-STD 810G-516.6) - Perfect fit for the device - Easy installation and removaThe package includes: - 1 x Spigen Tough Armor MagSafe Case
