

Spigen Enzo Aramid Mag Magsafe case for iPhone 16 Pro Max 6,9" black/natural

BRA014178
8809971233576

Spigen Enzo Aramid MagSafe is a case that combines modern technologies and high-quality materials, providing maximum protection for your smartphone while maintaining an elegant appearance. Made from advanced aramid fiber, known for its exceptional durability, the case is incredibly tough and resistant to damage. The precise aluminum finish adds a modern style along with additional protection against impacts. The case is designed with minimalism in mind – it is lightweight and slim, ensuring that it does not increase the bulk of the phone while providing comfort during use. Equipped with a magnetic ring compatible with MagSafe technology, it guarantees maximum charging efficiency and a quick, stable connection to MagSafe accessories. Product Features: - Original Spigen product- Packed in original packaging - Elegant and unique design - Slim shape and aluminum finish - Compatible with MagSafe- Precisely made and perfectly fitted - Easy to install and remove The set includes: - 1 x Spigen Enzo Aramid MagSafe case
