8809971230704

Spigen Core Armor MagSafe is the perfect case for those who value elegant simplicity and reliable protection. Its minimalist design enhances the modern look of the smartphone while providing effective protection against everyday damage. Made from high-quality, flexible TPU material, it effectively protects against impacts, scratches, and drops. The matte finish prevents fingerprints, while the subtly textured surface ensures a firm grip, minimizing the risk of the phone slipping out of your hand. The case is equipped with a magnetic ring compatible with MagSafe technology, ensuring fast and hassle-free charging as well as a secure connection with all MagSafe accessories. Product features: - Original Spigen product - Packed in original packaging - Compatible with MagSafe - Elegant and precisely made - Perfectly fitted to the device - Fully functional, providing easy access to ports - Easy to install and remove The set includes: - 1 x Spigen Core Armor MagSafe case
