Spigen Ultra Hybrid is a case that combines the best features of protection and aesthetics, providing your smartphone with both safety and a unique look. Thanks to its unique hybrid construction (TPU + PC), which combines a durable frame with a transparent panel, your phone retains its original design while being effectively protected against damage. Reinforced corners with Air Cushion technology effectively absorb shocks, providing additional protection against drops. Gently raised edges around the screen and camera protect these elements from direct contact with flat surfaces, and precisely crafted cutouts allow easy access to all ports, buttons, and functions of the device. Spigen Ultra Hybrid is an excellent choice for those who want to secure their phone without obscuring its natural beauty. PRODUCT FEATURES: - 100% Original - Packed in original packaging - Hybrid construction - Precisely crafted - Integrated air cushions in the corners - Provides protection during drops - Perfectly fitted - Fully functional - Easy to install and remove THE SET INCLUDES: 1 x Spigen Ultra Hybrid Case
