PanzerGlass Screen ProtectionThe original tempered glass of the Danish brand PanzerGlass from the Screen Protection series will protect your smartwatch and minimize the effects of everyday adversity, such as contact with sharp objects. Screen Protection, in addition to platinum-strength protection, retains full touch sensitivity. Thanks to the oleophobic coating that prevents smudges and fingerprints. The coating is also antibacterial (proven to kill up to 99.99% of the most common surface bacteria). Simple and convenient assemblyThe application of the glass is so simple that one application is probably enough. Glass can be glued up to 200 times. In addition to 1 piece of tempered glass, the PanzerGlass Screen Protection set also includes a wet cloth, a dry microfiber cloth and an anti-dust sticker. The packaging is FSC certified, which means it can be recycled!
