MACH-200 Forever is a compact car mount with wireless charging functionality, compatible with MagSafe technology and all phones that support wireless charging. The 15W mount allows for fast charging of the device, ensuring a constant power supply during travel. It is equipped with strong magnets that guarantee a stable hold for the phone, even on rough surfaces. The MACH-200 offers a 360° rotation option, allowing for easy adjustment of the viewing angle, enhancing user comfort while driving.
