

LCD Display with touch screen iPhone 7 white AAAA

T_01598
5900495611376

The product is an improved quality of LCD screens compared to the AAA copy. The display provides high screen brightness and visibility from all angles. The screen has all the necessary elements for mounting on a smartphone: - camera holder, - sensor holder, - speaker cover, - sponges on tapes. The sponges prevent the tapes from bending too much and detaching when using the phone.
