

LCD Display with touch screen iPhone 7 black AAAA

T_01599
5900495611383

The product is an improved quality of LCD screens compared to the AAA copy. The display provides high screen brightness and visibility from all angles. The screen has all the necessary elements for mounting on a smartphone: - camera holder, - sensor holder, - speaker cover, - sponges on the sides. The sponges prevent the tapes from bending too much and detaching when using the phone.
