

Vmax Acrylic Anti-drop Mag case for iPhone 14 Pro 6,1" transparent

GSM177016
6976757301827

We offer a unique case that not only protects your phone from drops thanks to the anti-drop material made of TPU and PC but also enables the use of Magsafe technology. The transparent design allows you to admire the device's original look while adding a modern touch. Thanks to the anti-drop TPU and PC material, your device will be protected from potential damage resulting from accidental drops. Precisely made cutouts for the cameras ensure that the case fits perfectly with your device, protecting the camera from damage. This case is not only protection but also modernity and functionality thanks to the applied Magsafe technology. Secure your phone now!
