The Smart Caro phone cover has been crafted with precision and attention to detail. It features an artificial leather finish with a characteristic checkered pattern. In the bottom right corner, there is a black round button that has been polished to a shine. This elegant and functional case provides ideal protection for the smartphone while giving it a unique character. The case is made of durable and pleasant-to-touch artificial leather that perfectly imitates natural leather. The interior of the case is carefully finished with a material that has a similar texture to the exterior layer, providing comprehensive protection and a stylish appearance. The inner pockets allow for storing credit cards, an ID card, or other identification cards. A convenient and practical solution for those who want to have everything at hand. The design of the case allows the phone to be positioned horizontally, which is ideal for watching movies, making video calls, or browsing websites. Covers are available in 4 color variants: beige, black, navy blue, and purple.
