The Smart Caro phone cover is made with precision and attention to detail. It features an artificial leather finish with a distinctive checkered pattern. In the lower right corner, there is a black round button that has a glossy finish. This elegant and functional case is the perfect protection for your smartphone, which will also add a unique character to it. The case is made from durable and pleasantly textured artificial leather that perfectly mimics natural leather. The interior of the case is carefully finished with a material similar in texture to the outer layer, providing comprehensive protection and an elegant appearance. Internal pockets allow for the storage of credit cards, identification cards, or other ID cards. A convenient and practical solution for those who want everything at hand. The design of the case allows the phone to be positioned horizontally, ideal for watching movies, video calls, or browsing the web. Covers are available in 4 color variants: beige, black, navy blue, purple.
