The Smart Caro phone cover is crafted with precision and attention to detail. It features a faux leather finish with a characteristic checkered pattern. In the bottom right corner, there is a black round button that has a glossy finish. This elegant and functional case is the perfect protection for a smartphone, while also adding a unique character to it. The case is made of durable and pleasant-to-touch faux leather that perfectly imitates natural leather. The interior of the case is carefully finished with a material similar in texture to the outer layer, providing comprehensive protection and a stylish appearance. Internal pockets allow for storing credit cards, ID cards, or other identification cards. A convenient and practical solution for those who want to have everything at hand. The design of the case allows the phone to be placed in a horizontal position, which is perfect for watching movies, conducting video calls, or browsing the web. Covers are available in 4 color variants: beige, black, navy blue, and purple.
