The Smart Caro phone cover is made with precision and attention to detail. It features an artificial leather finish with a characteristic checkered pattern. In the bottom right corner, there is a black round button that has a glossy finish. This elegant and functional case is the perfect protection for your smartphone, while also adding a unique character to it. The case is made from durable and pleasant-to-touch artificial leather, which closely resembles natural leather. The interior of the case is meticulously finished with a material similar in texture to the outer layer, providing comprehensive protection and an elegant appearance. Internal pockets allow for the storage of credit cards, ID cards, or other identification cards. A convenient and practical solution for those who want to have everything at hand. The design of the case allows the phone to be positioned horizontally, which is ideal for watching movies, making video calls, or browsing websites. Covers are available in 4 color variants: beige, black, navy blue, purple.
