The Smart Caro phone cover has been crafted with precision and attention to detail. It features a synthetic leather finish with a characteristic checkered pattern. In the lower right corner, there is a black round button that has a glossy finish. This elegant and functional case is the perfect protection for your smartphone, while also giving it a unique character. The case is made of durable and pleasant-to-the-touch synthetic leather that perfectly imitates natural leather. The interior of the case is carefully finished with a material having a similar texture to the outer layer, providing comprehensive protection and an elegant appearance. The internal pockets allow for the storage of credit cards, an ID card, or other identification cards. A convenient and practical solution for those who want to have everything at hand. The design of the case allows the phone to be placed in a horizontal position, which is ideal for watching movies, making video calls, or browsing web pages. The covers are available in 4 color variants: beige, black, navy blue, purple.
