The Smart Classic case is an elegant and functional cover made from high-quality material that mimics natural leather. The matte black finish gives the case a tasteful appearance and provides protection for the phone against scratches, shocks, and other damage. The interior of the case features three carefully stitched card pockets, allowing for convenient storage of essential documents in one place. The magnetic flap further secures the cover, preventing accidental openings. Precise cutouts allow easy access to all ports without restricting the device's functionality. Three openings on the outside enable conversations without opening the case, making phone use comfortable and practical.
