The Smart Classic case is an elegant and functional cover made from high-quality material that mimics natural leather. The matte black cover gives the case a stylish appearance and provides protection for the phone against scratches, shocks, and other damage. The interior of the case contains three carefully stitched pockets for cards, allowing for convenient storage of essential documents in one place. The magnetic flap further secures the cover, preventing accidental openings. Precise cutouts allow easy access to all ports without limiting the functionality of the device. Three openings on the outside enable phone calls without opening the case, making it comfortable and practical to use the phone. The Smart Classic case combines style with protection, creating an excellent solution for smartphone users.
