Hello Kitty IML Gradient Electrop Kitty Head, This case is a true gem for Hello Kitty enthusiasts. The golden frame around her head emphasizes the uniqueness of this iconic character, giving it an extraordinary shine. Feel special every time you look at your phone! By using advanced In-Mold Labeling (IML) technology, the case not only showcases excellent print quality but is also durable and resistant to damage. The material it is made from protects your phone from scratches, dust, and accidental drops. The Hello Kitty head with an elegant golden "Hello Kitty" inscription expresses your passion for this iconic character. This is not just a case; it's a unique way to express your style and love for Hello Kitty. It not only protects your phone but also reflects your style and affection for this iconic character. With it, your phone becomes not just a practical device but also a distinctive accent in your daily life that attracts attention and adds charm to your day. Product produced under the Hello Kitty brand license.
