The Simple Color Mag case is a combination of effective protection, functionality, and user comfort. The interior of the case is lined with a soft material that protects the phone from scratches and shocks, ensuring its durability and safety. Precise cutouts allow for unhindered use of the camera while simultaneously protecting the lens island. A strong magnet with a force of 1800 Gs guarantees stable holding of the device, enhancing user comfort. The case is fully compatible with MagSafe technology, allowing for seamless use of accessories and chargers of this standard. Additionally, specially designed openings allow for the attachment of a keychain or lanyard, providing even greater protection for the phone.
