Tempered glass 2,5D for Samsung Galaxy A10 / A10s 10in1

OEM001599 5900495779021

High hardness 9H tempered glass perfectly protects the phone screen. It ensures image clarity, and the oleophobic coating provides resistance fingerprints and dirt. The glass is thin and durable, with a thickness of only 0.3 mm. After application, the phone retains its touch properties. The adhesive covers the entire surface, preventing dust and dirt from accumulating under the glass. The edges of the glass are rounded, ensuring safe use. The product is intended solely for phones with a flat screen. The set includes a complete set of 10 pieces of glass and cleaning cloths.
