Product created with your needs in mind. The Tornado cable is ready for anything. It features a strong, thick braid, is very durable, and resistant to all kinds of abrasion. High-quality metal connectors are not just a design element. They protect the cable in the areas most prone to damage. Time pressure does not faze it. It charges devices with a current of 3A, which is faster than standard cables available on the market. With its help, you will transfer data securely, and everything will be under your control.
