FLS-80

The double solar lamp Sunari FLS-80 from Forever Light is an exceptional lighting solution that offers many advantages and features. This lamp is equipped with lithium-ion batteries with a total capacity of 5500mAh, providing long operating time. Thanks to an efficient photovoltaic panel, the lamp is able to effectively collect solar energy and store it in the built-in batteries. The device requires no additional maintenance and allows for savings on electricity bills. The set includes two long cables that allow for the installation of the lamps even 3 meters away from the location where the photovoltaic panel is mounted. The Sunari FLS-80 lamp also has an ON/OFF switch that allows the lamp to be turned off for winter, thereby extending the lifespan of the built-in batteries. This is particularly useful when winter weather conditions do not provide sufficient sunlight for charging. The brightness of the light emitted by the lamp is 520 lumens, and the light color is a pleasant 4500K. This makes the lamp create a good atmosphere during evening outdoor gatherings, providing appropriate lighting. Dust and moisture protection rated at IP65 ensures durability and resistance of the lamp in various weather conditions. It can be installed permanently, regardless of weather conditions, and enjoy lighting without the need for constant maintenance. Remember to place the panel in a well-sunny location. The set includes: - 2x Hanging lamp, - solar panel module with a dusk sensor and built-in batteries, - 2x 3m cable for installing the lamps in a selected location, and the photovoltaic panel in a sunny location, - mounting bracket, - mounting pins.

Specification

Brand: Forever Light	Colour: black
Color temperature: 4500K	Power consumption: 6 W
Lumens number: 520 lm	Diodes number: 2 pcs.
Diodes type: SMD	Battery: 5500 mAh
Maximal working time: 6 h.	Charging time: 8 h.
Solar panel type: Laminate 5V, 3,5W	Product dimensions (mm) 197 x 117 x 50 (solar panel) 150 x 150 x 60 (lamp)
Package dimensions (mm) 190 x 130 x 104 length x width x height:	Packages type: box
Net weight: 520 g	Gross weight: 650 g
Material: ABS	Functions: 2 lamps with 3m cable
Index of protection: IP65	Warranty: 12 month
