FNL-11

The LED Night Light Duck on Vacation FNL-11 from Forever Light is a pleasant and safe lamp, perfect for both children and adults. Made of soft silicone, it provides comfort in use and an aesthetic appearance. The lamp offers two brightness levels, allowing you to adjust the lighting – from a gentle glow that won't disturb sleep to a brighter light suitable for reading. With a built-in 1200mAh battery, the lamp can operate without access to a power outlet, giving you the freedom to place it wherever you like. The USB-C port allows for convenient charging of the lamp using a standard adapter, eliminating the need for special cables. The Duck on Vacation FNL-11 lamp is an excellent companion for every night, creating a cozy and safe atmosphere. It works perfectly as both a decoration and a functional light source.
