RTV200012 5907457752023 FNL-12

The LED Night Light Friendly Capybara from Forever Light is the perfect choice for both children and adults. Made from soft, pleasant-to-the-touch silicone, it ensures comfortable and safe use. The lamp offers 4 lighting modes, allowing you to adjust the illumination to your individual needs – from a gentle glow that won't disturb sleep to colorful, pleasant light. Equipped with a 1200mAh battery, the lamp operates without the need for battery replacements and can be placed anywhere, even far from power outlets. Thanks to the USB-C port, the lamp can be easily charged using a standard adapter, eliminating the need for special cables. The Capybara lamp is an excellent companion for every night, creating a cozy and safe atmosphere. It serves well as both a decoration and a practical source of light before sleep. The built-in timer allows for automatic shut-off after a specified time, and the lamp is activated by touch.
