DKNY IML Checkered Mono Pattern & Printed Stripes MagSafe is a stylish case that combines modern design with the energy of urban life. Adorned with a checkered pattern featuring the DKNY initials and wide stripes, the case stands out with elegance and prestige. The large DKNY logo emphasizes the authenticity of the collection. Graphics covered with a layer of polyurethane ensure an aesthetic appearance and abrasion resistance, guaranteeing long-lasting durability. The case effectively protects the phone from damage, absorbs shocks, and provides full access to ports and buttons. The MagSafe magnetic ring allows for convenient and fast wireless charging without the need to remove the case. Product manufactured under license from the DKNY brand.
