DKNY IML Mono & Stripe MagSafe is a stylish case that combines modern style with the energy of New York City. Embellished with DKNY initials all over, it features a central stripe that complements the color scheme of the design. The gold DKNY logo adds prestige, emphasizing the luxurious nature of the collection. Made from durable material coated with a layer of polyurethane, the case is resistant to abrasion, maintaining its aesthetic appearance for longer. The precise fit protects the phone from damage, while the raised edges safeguard the screen and camera. The case includes a MagSafe magnetic ring, ensuring fast and convenient wireless charging without the need to remove the cover. Product manufactured under license from the DKNY brand.
