DKNY IML Checkered Mono Pattern DKNY is a renowned American fashion brand, famous for its perfect blend of timeless elegance with modernity and the energy of urban life. Feel the pulse of New York by expressing your individuality and boldness. Chic and extravagance like in NY Modern Art. Each case from this collection delights with a unique pattern featuring the initials of the legendary fashion house DKNY, creating a stunning checkered motif. The subtle black and white color scheme exudes luxury and prestige, attracting attention with its distinctive finish. The perfect combination of style and functionality. The decorative prints are coated with a thin layer of polyurethane, giving them an aesthetic appearance while increasing wear resistance. This ensures that the cases maintain their impeccable look for a long time, protecting your style. Perfect fit for your phone. The elegant case highlights the unique design of the phone and provides effective protection against damage and shocks. The precise dimensions of the case cushion falls while allowing full access to ports and buttons, regardless of the situation. The case is produced under license from the DKNY brand.
