DKNY Repeat Pattern Bottom Stripe MagSafe® DKNY is a renowned American fashion brand that combines elegance, timeless style, and the energy of urban life. Feel the rhythm of New York while showcasing your individuality and expressiveness. A case perfect for trendsetters! The surface of the case features contrasting white brand logos, giving it a unique character. An additional accent is the subtle metal DKNY logo, highlighting attention to the smallest details. Ideal harmony between style and practicality Each case from this collection is not only a visual masterpiece but also a product made of excellent materials. High-quality synthetic leather provides an elegant appearance and a high level of protection for your device. Charge your phone with convenience The DKNY case from the Repeat Pattern Bottom Stripe MagSafe collection integrates MagSafe technology, allowing easy and secure attachment and charging, making it ideal for everyday use. Perfectly tailored to your phone This elegant case not only enhances the look of the phone but also protects it from damage and shocks. With precise dimensions, the case cushions falls while providing full access to ports and buttons. The case is produced under license from the DKNY brand.
