DKNY Wrist Strap Stock Logo DKNY is a well-known and respected American fashion brand, recognized for its perfect combination of elegant, timeless character with modernity and the vibrant energy of urban life. Feel the pulsating rhythm of New York, emphasize your individuality and expressiveness. High quality craftsmanship The DKNY case is the epitome of elegance and style. Made from high-quality leather, the case combines a luxurious look with excellent durability. This material is resistant to scratches and stains, ensuring that the case will look new for a long time. The solid-color finish gives it a classic and universal appearance. Stylish and practical The centerpiece of the case is the metal DKNY logo, which adds a unique character and highlights its exclusivity. The logo is made from high-quality metal, ensuring its durability and elegant look. Carefully set in the center of the case, it draws attention and reflects the luxurious nature of the product. The case is an ideal choice for those who appreciate exceptional accessories. Additional functionality Additionally, the case is equipped with a practical wrist strap, making it easier to carry and ensuring safety during use. The strap is a perfect solution for those valuing comfort and functionality, allowing for safe and stylish carrying of your phone. This way, you always have your phone at hand! Every element of the DKNY case has been carefully designed and crafted to meet the highest quality standards. The case is produced under license from the DKNY brand.
