Circle Glam Mag CaseThe Circle Glam Mag is a stylish case with a metallic finish that not only adorns the phone with an original design but also provides it with comprehensive protection. The characteristic wave pattern on the surface gives it a unique look, and the pleasant texture makes using the phone even more comfortable. Made of durable TPU material, it offers full device protection. The rounded, raised corners and the elevated camera island effectively protect the phone from drops and scratches, enhancing its safety. With a magnetic strength of 2100 Gs and compatibility with MagSafe technology, the case guarantees a stable attachment to magnetic mounts and MagSafe accessories. The interior of the case is lined with a soft, pleasant-to-the-touch material, which further protects the phone case from damage during daily use. On the side of the case, there are holes for attaching a strap, allowing for convenient carrying of the phone around the neck or wrist. The Circle Glam Mag case is available in various color options, so you can match it to your style.
