Frozen Mag case for iPhone 11 light blue

GSM182894
5907457758865

The Frozen Mag case is an excellent protection for the device in any situation. Made from high-quality materials, it ensures durability, flexibility, and easy installation, meeting the highest protection standards. The matte finish on the back perfectly complements the phone's design, highlighting its original look without significantly increasing its size. The built-in magnet with a strength of 1900 Gs provides great adhesion to magnetic accessories, supporting MagSafe technology. This makes wireless charging convenient and hassle-free. The case is also compatible with other wireless chargers and car mounts, making it ideal for those who actively use their phones. Raised edges and a large cutout for the camera guarantee full protection for the camera island, safeguarding against accidental scratches and damage. Access to all ports is ensured by precise cutouts and perforations for the speaker. On the side of the case, there are openings for attaching a lanyard or strap, adding extra protection and convenience. The Frozen Mag case is a combination of protection, style, and functionality that will meet the expectations of even the most demanding users.
