XO writing tablet LCD V02 16" pink

GSM182497 6920680857890 V02

Introducing the XO-V02 writing tablet. Dive into creativity with the sleek and lightweight 16-inch writing tablet, designed for smooth digital expression. Powered by a long-lasting battery, it ensures uninterrupted creativity without the need for frequent battery changes. With an impressive erasing capacity of 60,000–70,000 times, you can explore your imagination limitlessly, knowing that your canvas is always ready for the next masterpiece. The tablet features an additional loop for a string or lanyard. The created image can be secured from erasure with a dedicated button. Available in a stylish light blue and charming pink, this writing tablet effortlessly complements your personal style while unleashing your creativity. Experience the freedom to sketch, write, and brainstorm anywhere and anytime with the writing tablet.
