The laptop bag offers a large capacity, meeting your storage needs for essential items while traveling, such as laptops, tablets, and accessories. It can easily accommodate most laptops with a screen size of up to 14 inches. The multi-layered design allows for easy organization of contents. The front pocket provides a convenient place for your phone, pens, wallet, keys, and other small items, keeping everything easily accessible. The bag is stylish and lightweight, and the portable handle makes it comfortable to carry. Built-in shockproof beams protect the device from all sides, ensuring safety during transport. Available in various colors, such as light blue, black, gray, pink, and navy blue, it allows you to match the style to your individual preferences.
