PT-AG001

PANTONE AG001 is a portable locator that has been designed in accordance with the color palette to make it stand out from other products. Equipped with a CR2032 battery that will keep it in standby mode for up to a year. After this time, you can easily replace it with a new one and the product will continue to work. Just place it somewhere else to easily locate items. Compatible with the Apple "Find My" app, the product provides an easy and secure way to locate compatible personal items on a map using the "Find My" app on your iPhone, iPad, iPod touch, Mac or the "Find Items" app on Apple Watch. To use Apple's "Find My" app to locate this item, the latest version of iOS, iPadOS, watchOS or macOS is recommended. The "Find Items" app on Apple Watch requires the latest version of watchOS.
