## Neon LED on stand PINEAPPLE orange green USB-C FSC-12 Forever Light

RTV200098 5900495048295 FSC-12

LED Neons by Forever Light are the perfect solution for stylish indoor lighting, bringing a colorful and cozy glow. Ideal as a decoration for a shelf in the living room, lighting for a children's room, or an accent in restaurants and bars where they can highlight a unique atmosphere. The neon features uniform light diffusion, eliminating visible light points. Thanks to LED technology, the device consumes little energy, and the power options – AA batteries or USB – provide convenience of use. The aesthetic white plastic casing, a long 2-meter cable, and a built-in switch on the base add functionality. Neons are striking even when turned off, and their iconic design and low energy consumption make them an ideal choice for any arrangement.
