PLEXI LED Forever Light neon signs enliven the room with a unique effect of colorful glow. Their ambient light perfectly fits into the décor of restaurants, bars, and other spaces where colors play a vital role in creating atmosphere. A distinguishing feature of these neon signs is the uniform, softly diffused light that does not create sharply defined light spots. The extremely energy-efficient LED technology ensures they consume a minimal amount of electricity. Furthermore, they are powered via a convenient USB port. The Gaming series features neon signs with colorful elements, and their shapes fit perfectly in a gamer's room. They are made of transparent and white plastic. The sizes of available designs vary, so everyone can find something suitable for themselves. Product features: - LED technology; - Wall-mounting hook; - Trendy designs; - Powered by USB plug; - ON/OFF/Dimming switch; - Various light colors depending on the model.
