Neon MIRROR LED is a combination of atmospheric light and a practical mirror, surrounded by a stylish neon casing. The LED light creates a cozy and relaxing atmosphere, making it perfect for both interior decoration and as a practical mirror for daily tasks. Its versatile use makes it ideal as a decoration in service salons as well as in home spaces. The neon holder allows for hanging the lighting on vertical surfaces. It will also look great leaning against a wall on a dresser or other furniture. The set includes a microfiber cloth that enables gentle and effective cleaning of the mirror's surface, ensuring its perfect appearance without the risk of scratches. The mirror is equipped with a switch and a dimming function, allowing you to adjust the intensity of the light and color according to your preferences, creating the right mood for any occasion. With its elegant design and practical features, the Neon MIRROR LED is a unique decorative and functional element that will enhance any interior.
