LED Neolia neon signs in a Halloween theme are an excellent decorative element, perfect for interiors during the Halloween season. LED Neolia neon signs bring rooms to life with a unique effect of colorful glow. Their atmospheric light fits perfectly into the decor of restaurants, bars, and other spaces where colors play a crucial role in creating an ambiance. A distinguishing feature of these neons is the uniform, gently diffused light that does not create sharply defined light spots. The incredibly energy-efficient LED technology ensures they consume a small amount of electricity. Moreover, they are powered conveniently via a USB port. We offer a wide range of shapes and colors, including shades such as white, orange, green, red, and pink. They are made from transparent and white plastic, which fits perfectly into various interiors. The sizes of available designs vary, so everyone will find something suitable for themselves. Product features: - LED technology; - wall mountable hook; - trendy designs; - powered via USB plug; - ON/OFF switch; - different light colors depending on the model.
