LED Neolia neon lights in Halloween theme are a perfect decorative element, ideal for interiors during the Halloween season. LED Neolia neon lights bring a room to life with their unique colored glow effect. Their atmospheric light fits perfectly into the decor of restaurants, bars, and other spaces where colors play a significant role in creating an ambiance. The distinguishing feature of these neons is the uniform, softly diffused light that does not create sharply defined light spots. The extremely energy-efficient LED technology ensures they consume a small amount of electricity. Moreover, they are powered via a convenient USB port. We offer a wide selection of shapes and colors, including shades such as white, orange, green, red, and pink. They are made from transparent and white plastic, which fits perfectly into various interiors. The sizes of available designs vary, ensuring everyone can find something suitable for themselves. Product features: - LED technology; - wall mounting bracket; - trendy designs; - powered by USB plug; - ON/OFF switch; - different light colors depending on the model.
