

Crystal Black case for iPhone 11 red

GSM186350
5907457794375

The Crystal Black case is a high-quality product that combines precise craftsmanship with modern design, meeting the expectations of even the most demanding users. Made from durable materials, it provides long-lasting protection for the phone. It features a large cutout for the camera with raised edges, effectively protecting the lens from scratches and damage. The flexible and durable TPU sides with a non-slip coating ensure a secure grip and comfortable usage. The back of the case, made from transparent, slightly smoked PC, adds elegance and effectively protects against scratches. Metallic buttons and a specially designed camera island give the whole a stylish appearance and enhance user comfort. The Crystal Black case is available in four color variants: black, red, blue, and gray. Thanks to its precise workmanship and the use of top-quality materials, the phone will be both well-protected and visually appealing.
