Etteri Matt Mag Case is a modern cover made of flexible TPU and durable PC, providing a secure grip and protection against scratches, shocks, and drops. The built-in magnet with a strength of 2300 Gs allows compatibility with MagSafe and wireless charging without the need to remove the cover. The matte finish gives it an elegant look, and the anti-shock corners absorb impacts. The raised edges protect the camera, while precise cutouts ensure full functionality. The product is fully compatible with car mounts and other MagSafe accessories. Packaged in eco-friendly, minimalist packaging.
