This power bank with a massive capacity of 30000 mAh provides multiple charges for smartphones, tablets, and other devices, making it an ideal solution for long trips or intensive use. Equipped with two USB-A ports and one USB-C port, it allows for fast charging of three devices simultaneously, which is perfect for sharing power or powering all your gadgets on the go. The USB-C port supports bi-directional fast charging PD, offering 20 W power for quick device charging and fast charging of the power bank itself via an 18 W input. The USB-A ports are compatible with QC3.0 protocols, allowing for a maximum output power of 22.5 W. The sleek digital display shows the current battery charge status, so you always know how much energy is left. Despite its large capacity, the power bank is compact and portable, making it the perfect travel companion. Safety features such as overcharge protection, short circuit protection, and overheating protection ensure the safety of your devices while charging.

Specification

- Battery type:** Polymer
- Output voltage:** USB: 5V-3A, 9V-2A, 10V-2,25A (22,5W), 12V-1,5A
USB-C: 5V-3A, 9V-2,22A, 12V-1,67A (20W)
USB-C: 5V-2,4A, 9V-2A, 12V-1,5A
- Brand:** BWOO
- Colour:** black
- Accumulator capacity:** 30 000 mAh
- Warranty:** 12 month
