

NILLKIN CAMSHIELD PRO MGNETIC IPHONE 17, TRANSPARENT BLACK

AKC008846
6902048303874

A high-quality Camshield Pro Magnetic Case is a great way to take care of not only protecting your device but also your privacy. The product is made from durable PC plastic, which is highly resistant to wear and mechanical damage. The main advantage of the product is undoubtedly the slider mounted on the back, which allows us to cover and at the same time protect the large rear camera mounted on the back of our device.
