A compact bag where you can store your phone and the most important documents. Its appearance resembles a classic wallet, but with a strap. The pouch also functions as a wallet, allowing for the safe and convenient storage of cash and bank cards. Leather finish, carefully stitched and durable, yet fashionable material. An elegant clutch that can be used during business meetings and work trips. It will also be great for school, vacation, short trips, or walks. The long, adjustable strap allows you to customize the bag to the user's figure and height. The wallet can also serve as a phone case.
