

Forever MAWC-200 magnetic wireless charger 15W grey 3in1

GSM183998
5907457769755

Forever magnetic wireless charger MAWC-200 3in1 for smartphones, smartwatches, and headphones offers an incredibly convenient solution for charging 3 devices simultaneously. It provides easy magnetic charging - just place your smartphone and devices on the station. Our charging station uses magnetic technology to securely hold the device in place, ensuring stable and uninterrupted charging. Whether you prefer watching in portrait or landscape mode, this charging station is perfect for video calls or watching movies. The base allows for a 360-degree rotation to position your smartphone in the desired place while charging.
