Etteri Matt Mag Case is a modern cover made of flexible TPU and durable PC, providing a secure grip and protection against scratches, shocks, and drops. The built-in magnet with a power of 2300 Gs enables compatibility with MagSafe and wireless charging without the need to remove the cover. The matte finish gives it an elegant look, while the anti-shock corners absorb impacts. Raised edges protect the camera, and precise cutouts ensure full functionality. The product is fully compatible with car mounts and other MagSafe accessories. Packed in eco-friendly, minimalist packaging.
