The Etteri Silicone Case is an elegant protection for your phone. Made from high-quality materials, it provides excellent protection against damage and scratches. The interior of the case is lined with a special, gentle microfiber that prevents scratches on the phone's body. The raised edges around the camera further minimize the risk of damage. The case is designed with all necessary cutouts for ports and ensures protection for the buttons. The case does not limit wireless charging capabilities. Despite its effective protection, it does not significantly increase the size of the phone and works well with various types of mounts.
