Silicone Thin Mag case for iPhone 16e / 17e light pink

GSM192253
5906961998231

The Silicon Thin Mag cover is an excellent protection for your phone. It is precisely made of durable and flexible silicone, which ensures not only effective protection against damage but also long-lasting use. Inside the cover, there is a microfiber lining that additionally protects the back of the phone from scratches. The cover has a minimalist design, perfectly adhering to the phone. This allows the user to enjoy full protection without sacrificing the comfort of using the device. The cover is fully compatible with MagSafe technology, allowing for hassle-free use of accessories and chargers of this standard. The raised camera island guarantees a perfect fit and protection for the lenses while enabling easy access to photography functions. The cover is available in various color options.
