The Silicon Thin Mag cover provides excellent protection for your phone. It is precisely made from durable and flexible silicone, ensuring not only effective protection against damage but also long-lasting use. Inside the cover, there is microfiber that additionally protects the back of the phone from scratches. The cover has a minimalist design, fitting perfectly to the phone. This allows the user to enjoy full protection without sacrificing the comfort of using the device. The cover is fully compatible with MagSafe technology, allowing for hassle-free use of accessories and chargers of this standard. The raised camera island guarantees a perfect fit and protection for the lenses while still allowing for free use of photographic functions. The cover is available in various color options.
