Smart Light case for Motorola Moto G15 black

The Smart Light case made of durable TPU and synthetic leather is a great complement to any smartphone, protecting the device from scratch, shocks, and dirt. Its slim design gives it an elegant appearance, protecting both the back of the phone and the screen, increasing its safety during a fall. Inside, there is a flexible cover with precise cut-outs that make it easy and convenient to place the smartphone in the case. Magnetic strap - provides protection and prevents accidental opening. Integrated wallet - with three card slots and a pocket for banknotes. Finger hole - allows for easy card removal, and the flexible inner structure ensures a quick fit for the phone. Speaker hole - allows for phone calls while the case is closed, offering clear sound.
