

Forever 3in1 cable USB - Lightning + 2x USB-C 1,2 m 100W black

GSM185689
5907457787322

The retractable 3-in-1 cable offering fast charging and data transfer is a practical solution for many devices. Equipped with a USB-C1 port with 100W power, a USB-C2 port with 15W power, and a 2.4A Lightning connector, it ensures efficient power delivery. The cable allows simultaneous charging of three devices, and the USB-C2 port additionally supports data transfer. The improved retracting mechanism guarantees quick and hassle-free winding and unwinding, providing user convenience without jamming. The metal connectors enhance durability, making the cable suitable for everyday use.
